The Honorable Detroit City Council

2 Woodward Avenue  
Detroit, MI 48226

Re: Resolution submitting bond proposal and authorizing Unlimited Tax General Obligation Bonds

Dear Honorable City Council Members:

The Office of the Chief Financial Officer respectfully submits the attached resolution proposing that a \$250 million Blight Removal Bond Issue be placed on the March 2020 Ballot and authorizing Unlimited Tax General Obligation (UTGO) Bonds. The proposal, in concert with blight reduction funding called for in the Plan of Adjustment, will allow for the City to address the remaining abandoned houses by 2025. Important to many of you, all neighborhoods not eligible for federal HHF funding will now see demolitions without raising taxes on Detroiters.

The proposed investment will be made possible due to the continued collaboration between you and the Mayor's Administration to set a fiscally sustainable course for Detroit. Also important, the City will maintain capacity to continue capital infrastructure investments over the next ten years.

Should you have any questions, please do not hesitate to contact me or my office.

Best regards,

David P. Massaron  
Chief Financial Officer

AND  
AUTHORIZING UNLIMITED TAX GENERAL OBLIGATION BONDS**

**CITY OF DETROIT  
COUNTY OF WAYNE, STATE OF MICHIGAN**

---

WHEREAS, the City Council (the "City Council") of the City of Detroit (the "City") has determined that it is necessary to secure additional resources to continue to pay the cost of eliminating blight in the City through demolition and other blight remediation activities (the "Project"); and

WHEREAS, pursuant to the Housing Law of Michigan, Act 167, Public Acts of Michigan, 1917, as amended, and the City's police powers, the City has the authority to conduct all of the activities that comprise the Project, and pursuant to the Home Rule City Act, Act 279, Public Acts of Michigan, 1909, as amended ("Act 279"), the City has the authority to issue bonds for any purpose within the scope of its powers; and

WHEREAS, the City Council has determined that the City should borrow money in an amount not to exceed Two Hundred Fifty Million Dollars (\$250,000,000), and issue general obligation unlimited tax bonds of the City, in such amount for the purpose of paying all or part of the cost of the Project; and

WHEREAS, the City Council has determined that a proposal to issue bonds for the Project (the "Bond Proposal") shall be submitted to the qualified electors of the City at the primary election to be held in the City on Tuesday, March 10, 2020 (the "Election Date"); and

WHEREAS, it is the determination of the City Council that, in the event a majority of the qualified electors of the City voting approve the Bond Proposal, unlimited tax general obligation bonds in the principal amount of not to exceed Two Hundred Fifty Million Dollars (\$250,000,000) shall be issued pursuant to the City Charter, Act 279, and Act 34, Public Acts of Michigan, 2001, as amended ("Act 34"), and pursuant to this Resolution for the purpose of paying all or part of the costs of the Project; and

WHEREAS, the City desires to negotiate the sale of the Bonds to one or more underwriters or purchasers within the parameters established by this Resolution.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Approval of Bond Proposal. The Bond Proposal attached hereto as Exhibit A is hereby approved and shall be submitted to a vote of the qualified electors of the City on the Election Date.

2. Certification of Bond Proposal; Submission to County Clerk. The ballot wording of the Bond Proposal is hereby certified to the City Clerk and the County Clerk of the Charter

County of Wayne (the "County Clerk") for submission to the City's electors on the Election Date. The City Clerk is hereby authorized and directed to file this Resolution and/or complete any such forms, certificates or documents as may be required by the County Clerk to evidence the foregoing certification and/or submission by no later than 4:00 p.m. on Tuesday, December 17, 2019.

3. Publication of Notice; Preparation of Ballots. The City Clerk and the County Clerk are hereby directed to (a) post and publish notice of last day of registration and notice of election as required by the Michigan Election Law; and (b) have prepared and printed, as provided by the Michigan Election Law, ballots for submitting the Bond Proposal at the election, which ballots shall contain the Bond Proposal, or the proposition shall be stated as a proposal on the voting machines, which ballots may include other matters presented to the electorate on the same date.

4. Estimated Millage. The estimated millage rate in the first year and simple average annual millage rate set forth in the Bond Proposal, which have been prepared for the City by Public Resources Advisory Group, Inc., municipal financial advisors to the City, are reasonable estimates of such millage rates based on current assumptions.

5. Reimbursement Declarations. The City makes the following declarations for the purpose of complying with the reimbursement rules of Treas. Reg. § 1.150-2 pursuant to the Internal Revenue Code of 1986, as amended (the "Code"):

- (a) If the Bond Proposal is approved by the electors, the City reasonably expects to reimburse itself with proceeds of the Bonds for certain costs of the Project which were paid or will be paid from the general funds of the City subsequent to sixty (60) days prior to today.
- (b) The maximum principal amount of debt expected to be issued for the Project, including issuance costs, is \$250,000,000.
- (c) A reimbursement allocation of the capital expenditures described above with the proceeds of the Bonds will occur not later than 18 months after the later of (i) the date on which the expenditure is paid, or (ii) the date the Project is placed in service or abandoned, but in no event more than three (3) years after the original expenditure is paid. A reimbursement allocation is an allocation in writing that evidences the City's use of the proceeds of the Bonds to reimburse the City for a capital expenditure made pursuant to this resolution.

6. Authorization of Bonds; Bond Terms. Pending the approval of the Bond Proposal by more than the required majority of qualified electors of the City voting thereon, bonds of the City designated **Unlimited Tax General Obligation Bonds** (the "Bonds") are authorized to be issued, in one or more series, in the aggregate principal sum of not to exceed Two Hundred Fifty Million Dollars (\$250,000,000), for the purpose of paying part of the cost of the Project, including the costs incidental to the issuance, sale and delivery of the Bonds. For each series of the Bonds, the above designation will be modified to indicate the year of issuance of such series and such additional information as may be necessary to designate multiple series or sub-series

within a single year, and in the case of delivery of any series of the Bonds delivered pursuant to a HUD Program (as defined herein), such designation may be modified to conform to HUD Program requirements (including but not limited to a designation of such series of Bonds as “notes”). Each issue shall consist of bonds in fully-registered form of the denomination of \$5,000, or multiples thereof not exceeding for each maturity the maximum principal amount of that maturity, numbered consecutively in order of registration, dated as of the date of delivery.

The Bonds will mature on the dates in the years and amounts determined by the Chief Financial Officer or the Chief Financial Officer’s designee (the “Authorized Officer”) at the time of sale, and be subject to redemption prior to maturity in the manner and at the times and prices as determined by the Authorized Officer at the time of sale.

The Bonds shall bear interest at a rate or rates on a fixed and tax-exempt or taxable basis to be determined upon negotiated sale thereof. Interest on the Bonds shall be payable on the dates and in the years as determined by the Authorized Officer at the time of sale. The record date of determination of registered owner for purposes of payment of interest as provided in this paragraph may be changed by the City to conform to market practice in the future. Interest shall be payable to the registered owner of record as of the 15th day of the month preceding the payment date for each interest payment. The principal of the Bonds shall be payable at the corporate trust office of such bank or trust company as may be selected by the Authorized Officer at the time of sale of the Bonds to serve as transfer agent therefor (the “Transfer Agent”); provided, that in connection with Bonds delivered pursuant to a HUD Program, the Transfer Agent may be an entity designated as fiscal agent, trustee or the equivalent under the applicable HUD Program, subject to the laws of the State of Michigan (the “State”).

The Bonds may be issued in book-entry only form through The Depository Trust Company in New York, New York (“DTC”) and the Authorized Officer is authorized to execute such custodial or other agreement with DTC as may be necessary to accomplish the issuance of the Bonds in book-entry only form and to make such changes in the Bond form within the parameters of this resolution as may be required to accomplish the foregoing.

7. Tax Exempt Bonds; Taxable Bonds. The Authorized Officer is hereby authorized and directed to determine whether all or any portion of the Bonds shall be sold as: (i) bonds the interest on which is excluded from gross income for federal income tax purposes (“Tax-Exempt Bonds”), or (ii) bonds the interest on which is included in gross income for federal income tax purposes under the Code, or any combination thereof.

8. Execution of Bonds. The Bonds of this issue shall be executed in the name of the City with the manual or facsimile signatures of the Mayor and Finance Director and shall have the seal of the City, or a facsimile thereof, printed or impressed on the Bonds. No Bond shall be valid until authenticated by an authorized officer or representative of the Transfer Agent. The Bonds shall be delivered to the Transfer Agent for authentication and be delivered by the Transfer Agent to the purchaser or other person in accordance with instructions from the Finance Director upon payment of the purchase price for the Bonds in accordance with the bid therefor when accepted.

9. Transfer of Bonds. The Transfer Agent shall keep the books of registration for

this issue on behalf of the City. Any Bond may be transferred upon such registration books by the registered owner of record, in person or by the registered owner's duly authorized attorney, upon surrender of the Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Transfer Agent. Whenever any Bond or Bonds shall be surrendered for transfer, the City shall execute and the Transfer Agent shall authenticate and deliver a new Bond or Bonds for like aggregate principal amount. The Transfer Agent shall require the payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer. For any series of Bonds issued pursuant to a HUD Program, transfer of such Bonds shall be made in accordance with HUD Program requirements, subject to the laws of the State.

10. Debt Retirement Fund; Unlimited Tax Pledge; Defeasance of Bonds; Early Optional Redemption. For each series of Bonds, the City Treasurer is authorized and directed to open a depository account with a bank or trust company designated by the Authorized Officer, to be designated [YEAR OF ISSUE] UNLIMITED TAX GENERAL OBLIGATION BONDS DEBT RETIREMENT FUND (the "Debt Retirement Fund"), the moneys to be deposited into the Debt Retirement Fund to be specifically earmarked and used solely for the purpose of paying principal of and interest on the Bonds as they mature. The City hereby pledges its unlimited tax full faith and credit for the prompt payment of the Bonds. All proceeds from taxes levied for deposit into the Debt Retirement Fund shall be deposited as collected. Commencing with the year 2020 (or such other year as shall be necessary to first levy taxes to pay debt service on the Bonds), there shall be levied upon the tax rolls of the City for the purpose of the Debt Retirement Fund each year, in the manner required by the provisions of Act 34, an amount sufficient so that the estimated collection therefrom will be sufficient to promptly pay, when due, the principal of and interest on the Bonds becoming due prior to the next annual tax levy; provided, however, that if at the time of making any such annual tax levy there shall be other funds available or surplus moneys on hand in the Debt Retirement Fund for the payment of principal of and interest on the Bonds, then credit therefor may be taken against such annual levy for the Debt Retirement Fund.

In the event cash or direct obligations of the United States or obligations the principal of and interest on which are guaranteed by the United States, or a combination thereof, the principal of and interest on which, without reinvestment, come due at times and in amounts sufficient to pay at maturity or irrevocable call for earlier optional redemption, the principal of, premium, if any, and interest on the Bonds, shall be deposited in trust, this resolution shall be defeased and the owners of the Bonds shall have no further rights under this resolution except to receive payment of the principal of, premium, if any, and interest on the Bonds from the cash or securities deposited in trust and the interest and gains thereon and to transfer and exchange Bonds as provided herein.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Transfer Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates; CUSIP numbers, if any; the place where the Bonds called for redemption are to be surrendered for payment; and that interest on the Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date. Any notice of optional redemption may provide that such redemption is conditioned upon the occurrence of any event

specified in the notice of redemption. If such conditional notice of redemption has been given, and on the scheduled redemption date the event specified in the notice of redemption as a condition to the redemption has not occurred, then Bonds for which conditional notice of redemption was given shall not be redeemed on the scheduled redemption date and shall remain outstanding for all purposes of this resolution.

In addition, further notice shall be given by the Transfer Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

11. Project Fund; Proceeds of Bond Sale; Appropriation. The City Treasurer is authorized and directed to open a separate depository account with a bank or trust company designated by the City Council, to be designated UNLIMITED TAX GENERAL OBLIGATION BONDS PROJECT FUND (the "Project Fund") and deposit into said Project Fund the proceeds of the Bonds less accrued interest, if any, which shall be deposited into the Debt Retirement Fund. The moneys in the Project Fund shall be used solely to pay the costs of the Project, capitalized interest, if any, and the costs of issuance of the Bonds.

The proceeds of the Bonds are hereby appropriated, upon receipt, to appropriation 21003 UTGO Blight Bonds for the purpose of paying all or part of the cost of the Project, capitalized interest, if any, and the costs of issuance of the Bonds.

The City Treasurer is further authorized to open such account or accounts as may be required for the deposit or transfer of proceeds in connection with the issuance of any Series of Bonds issued pursuant to a HUD Program, provided such accounts and any deposits made therein are consistent with the laws of the State and this resolution.

12. Bond Form. Any Bonds not delivered pursuant to a HUD Program shall be in substantially the following form. Any series of Bonds delivered pursuant to a HUD Program shall be in such form as shall be necessary to conform to HUD Program requirements, subject to the laws of the State.

The City shall, to the extent permitted by law, take all actions within its control necessary to maintain the exclusion of the interest on the Bonds issued as Tax-Exempt Bonds from gross income for federal income tax purposes under the Code, including, but not limited to, actions relating to any required rebate of arbitrage earnings and the expenditures and investment of Bond proceeds and moneys deemed to be Bond proceeds.

The Authorized Officer is hereby authorized and directed to pay any post closing filing fees required by Act 34 to the Michigan Department of Treasury or other specified agency, as a cost of issuance or from other legally available funds.
